

## LCR Inclement Weather Policy

In the event of severe weather, such as snow or ice, or other emergency, the Lutheran Church of the Resurrection will determine the status of church programs and communicate it as expeditiously as possible.

LCR will announce the status of daytime operations no later than 8:00 a.m. of the current and by 4:00 p.m. for evening activities of the current day. Unfortunately, circumstances may cause this goal not to be met. We appreciate your understanding in these situations.

Overall, we will adhere to the following guidelines:

- If at all possible, weddings, funerals and other major one-time special events will be conducted as scheduled.
- Weekday program activities will follow the schedule of Cobb County Public Schools. If school is delayed in the morning or cancelled, all program activities will be cancelled. If school is dismissed early, all evening programs will be cancelled.

In the event of a closing or delayed opening due to inclement weather or other emergency, an announcement will be placed prominently on the church website and notification sent to members via the church e-news distribution. You may subscribe to the email list on the home page of the church website at [www.lcrmarietta.org](http://www.lcrmarietta.org) if you do not receive emails from LCR.

In all cases, please use your personal discretion to determine if it is safe for you to leave your home and travel to church.
